Proceedings of the Chief Commissioner of Mysore in the General Department, (Financial),—dated 12th January 1880.

No. 7180—F. 502, DATED BANGALORE, 12TH JANUARY 1880.

ORDER.—The attention of the Chief Commissioner has lately, in several instances, been drawn to the unsatisfactory and incomplete manner in which applications for compensation pension have been submitted for sanction. Mr. Gordon desires that, in future, Heads of Departments will, while submitting such applications, see that the rules laid down under section 59 of the Civil Pension Code are strictly conformed to, and will, in each of such applications, invariably specify the nature of the change of establishment which has necessitated the retirement of the applicant, and, where his own appointment has not been abolished, shew that in filling his post vacated by retirement, no new appointment to the Government service has to be made and no extra expense is caused.

Proceedings of the Chief Commissioner of Mysore in the General Department, (Financial),—dated 16th January 1880.

From the Judicial Commissioner of Mysore, To the Secretary to the Chief Commissioner of Mysore, General Department, No. 3061—365, dated Bangalore, 3rd December 1879.

I have the honor to forward c py of a letter No. 299 of the 17th ultimo from the District Judge, Nagar, (with 2 * statements A and B in original) making proposals for the revision of the Establishm nts of the Subordinate Judges' Courts in his Division.

* To be returned.

2. I approve the proposal of the District Judge to abolish the office of Record-keeper and to annex the duties to those of the English Clerk.

3. I do not consider the increase of Rs. 5 proposed to the pay of the Head Munshi and Nazir necessary, as this officer in his latter capacity receives commission on sales. The pay proposed for the additional Munshi, Rs. 15, is too low, for I think that no Munshi should draw less than Rs. 20 a month.

4. I would not reduce the number of peons, as the Sub-Judge has Civil and Criminal work and is generally in charge of the Jail.

5. The modifications above made on the proposals of the District Judge are noted in red ink in the statements referred to in para 1 of the letter.

From the Commissioner and District Judge, Nagar Division, To the Judicial Commissioner of Mysore, No. 299, dated Shimoga, 17th November 1879.

I have the honor to submit the proposals embodied in the accompanying statements A and B for the revision of the Subordinate Judges' Courts in this Division.

2. In statement A has been shewn the scales of establishment, present and proposed of the Shimoga and Chikmagalur Subordinate Judges' Courts in which the work is equal or nearly so, and in statement B, that of the Chitaldroog Subordinate Judge's Court The scales in both cases are contrasted with those sanctioned by the Chief Commissioner in his order No. 579–61, dated 19th May 1879, for the Subordinate Judges' (Judicial Assistant Commissioners') Courts at Kolar and Túmkúr.

3 My main proposals are, in respect of all 3 Courts, as follow :—

I. To abolish the office of Record-keeper and annexing the duties to the English Clerk.

II. To raise the pay of the Head Munshi and Nazir from Rs. 35 to Rs. 40.

4. (I.) It is hardly necessary to state that by the transfer periodically of all the records of these Courts to the Central Record-room in the District Court, the work of the Record-keeper will be much diminished. These duties are still somewhat responsible and it would not be desirable to meet the diminution of work by diminishing the salary of the office. The duties might be readily discharged by the English Clerk.

5. (II.) The Head Munshi's salary is at present no higher than that of the English Clerk, though the amount and nature of the work of each differs largely. The office of Nazir has recently been attached to the Head Munshi's office, involving production of security as well as additional responsibilities. The pay may be very suitably raised to Rs. 40.

6. The other changes I propose are, to add 1 Munshi on Rs 15 to each Court, to provide for the magisterial work now discharged by the Subordinate Judges, and to reduce 1 Peon at Rs. 6, so as to make the complement of Court Peons equivalent to that sanctioned in the Chief Commissioner's Proceedings above quoted, for the General Assistants' Courts.

7. It will be observed that the effect of the proposed changes will be to reduce the cost of the existing Court establishments, while providing for their efficiency being maintained.

8. The * accompanying reports which were received from the Subordinate Judges in June last, and which were retained by me until I had leisure to inspect all the Courts, are herewith forwarded in original.

* From Judicial Assistant, Shimoga District, No. 137, dated 11th June 1879.

ORDER.—The establishments for the Courts of the Subordinate Judges of the Nagar Division are sanctioned according to the strength shewn in the above statements, as corrected by the Judicial Commissioner.

Proceedings of the Chief Commissioner No. 4999—988, dated 27th September 1879, sanctioning an establishment for the Central Record room under the District and Sessions Judge of Ashtagram.

Letter No. 2886—343, dated 19th November 1879, from the Judicial Commissioner, forwarding letter No. 260, dated 14th idem, from the District and Sessions Judge, Ashtagram, proposing a revised scale of record establishment.

Letter No. 2779—821, dated 7th November 1879, from the Judicial Commissioner, forwarding with remarks copy of the Nagar District and Sessions Judge's letter No. 279 of 21st October, proposing certain additions to the establishment sanctioned for his Court.

No. 7379—Fnl. 515, DATED BANGALORE, 17TH JANUARY 1880.

ORDER.—The order sanctioning an establishment for the Mysore Central Record-room issued under a misapprehension of the circumstances then existing and of the fact that the old establishments had been abolished and new Court establishments instituted in the Ashtagram Division by Revenue Department order No. 1069—218 of the 24th June 1879. The necessity for a Central Record-room establishment still exists, however, and the alternative schedule which the District and Sessions Judge proposed in his letter above read being acquiesced in by the Judicial Commissioner is sanctioned. The establishment of his Court therefore stands thus:—

	Rs.		Rs.
1 Sheristadar and Nazir ..	150	4 Peons at Rs 6 (including a Record orderly) ..	24
1 Assistant Nazir ..	35	1 Lascar ..	7
1 Head Munshi and Interpreter ..	70	2 Mashalch's at Rs. 5 ..	10
1 Dy. Munshi and Translator ..	50	1 Sweeper ..	5
1 3rd Munshi ..	40	*For the Central Record-room.*	
1 4th do ..	25		
1 5th do ..	20	1 Assistant Record-keeper ..	24
1 Head Clerk ..	60	1 Do do ..	20
1 Deputy Clerk ..	30	4 Do on Rs. 15 each ..	60
1 3rd do ..	25	1 Mutchi ..	8
1 Mutchi ..	12	2 Daftarbands at Rs. 9 and 8 ..	17
1 Daftarband ..	8	1 Sweeper ..	4
1 Head Record-keeper ..	50	1 Gollar ..	6
1 Assistant do ..	40		
1 Daftarband ..	10	Total Cost Rs...	835
1 Daffedar ..	10		
2 Peons at Rs. 7 ..	14		

2. When the records in the Central Record-room have been properly sorted and arranged, the above establishment will be capable of considerable reduction; and on this the District and Sessions Judge is requested to report after 6 months' experience, by which time the records should have been arranged and the Central Record-room establishment should be discharged.

Proceedings of the Chief Commissioner of Mysore in the General Department, (Financial),—dated 17th January 1880.

3. The District and Sessions Judge of Nagar proposes to increase his Head Record-keeper's pay from Rs. 50 to 60 Rs. per mensem and to entertain an additional Assistant Record-keeper on Rs. 20 per mensem: neither of which changes are recommended by the Judicial Commissioner. Orders on these points may well be deferred until the Chief Commissioner is informed whether it is not intended to institute a Central Record-room in Shimoga too, and whether some establishment similar to that now sanctioned for Ashtagram will not be necessary.

4. Besides this the Nagar District and Sessions Judge proposes to entertain, in addition to the establishment of peons allotted to his Court, a Jamedar on Rs. 12 per mensem and four peons, two at Rs. 7, and two at Rs. 6; Colonel Clarke proposes to make up Rs. 14 of the increased expenditure to be incurred in this way by a reduction of Rs. 5 in the pay of the Assistant Nazir, Rs. 2 in the pay of the Mutchi and one of the Daftarbands, Rs. 4 in the pay of the Daftarband who is getting Rs. 10, and Re. 1 in the pay of the Daffedar.

5. The Judicial Commissioner very properly objects to the reduction in the Assistant Nazir's pay and considers that for the requirements of the District and Sessions Judge, as such, one additional peon is enough, whose pay may be met by a reduction of Rs. 2 each in the pay of the Mutchi and two Daftarbands.

6. That for the work of the Judge only one additional peon is sufficient is true, but the present District and Sessions Judge has other miscellaneous duties, and his request for more peons is reasonable. In this matter he is at a disadvantage with the Ashtagram District and Sessions Judge who can get assistance in Mysore which is not afforded in Shimoga.

7. A Jamedar on Rs. 12 and two peons on Rs. 7 each may therefore be retained, but this sanction will only remain in force so long as there is a European Judge at Shimoga. To meet the extra cost of their pay, however, it is inadvisable to reduce the pay of any of those already sanctioned. The rates given in the schedule above were adopted for Bangalore after very careful consideration and it is not probable that, if the rates allowed are proper for Bangalore, it will be possible to get efficient men for less money in Shimoga. The following is then the sanctioned establishment of the Nagar District and Sessions Judge's Court:—

	Rs.		Rs.
1 Sheristadar and Nazir ..	150	1 Assistant Record-keeper ..	40
1 Assistant Nazir	35	1 Daftarband	10
1 Head Munshi and Interpreter ..	70	1 Jamedar	12
1 Deputy Munshi and Translator ..	50	1 Daffedar	10
1 3rd Munshi	40	4 Peons at Rs. 7 each ..	28
1 4th Munshi	25	4 Peons at Rs. 6 (including a Record Orderly.)	24
1 5th Munshi	20	1 Lascar	7
1 Head Clerk	60	2 Mashalchis at Rs. 5	10
1 Deputy Clerk	30	1 Sweeper	5
1 3rd Clerk	25		
1 Mutchi	12	Total Cost Rupees.	721
1 Daftarband . ..	8		
1 Head Record-keeper	50		

8. This order comes into force in Mysore from the date when the District and Sessions Judge of Ashtagram entertained the revised schedule of Record-room establishment; and in Shimoga at the same time as the general revision of establishment.

Proceedings of the Chief Commissioner of Mysore in the General Department, (Financial),—dated the 29th January 1880.

From J. Lacey, Esq., Honorary Secretary, Mysore General Relief Committee, To the Secretary to the Chief Commissioner of Mysore, General Department, No.—dated 3rd October 1879.

I have the honor to submit for the information of the Chief Commissioner a statement of the receipts and expenditure of the Mansion House Funds completed up to date.

2. The total receipts as shewn at the end of the statement amounted to Rs. 16,62,355-6-1, out of which the sum of Rs. 16,43,902-1-5 was expended in charitable relief and Rs. 18,250-10-10 remitted to the General Department of the Chief Commissioner's Office. The balance Rs. 402—9—10 cannot be accounted for. It is made up of two items, *viz*., Rs. 387—10—8 of the Chitaldroog District and Rs. 14—15—2 of the Kadur District, and as these sums are trifling compared with the expenditure, and as there is no reason to believe that they have not been expended in a legitimate way, I have caused them to be written off as unaccountable. Considering the large amount distributed, and the extensive agency employed, it is a matter for congratulation that the Committee are in a position to account for all the amounts expended except the two items above referred to.

3. The expenditure is shewn in three ways :—

(*a*.) The objects towards which relief was granted.

(*b*.) The amount expended in each District.

(*c*.) The amount expended by each officer employed.

The details of which are given in the statement.

4. In conclusion, I beg to bring to the notice of the Chief Commissioner the labors of Mr. H. Eagles of the Deputy Accountant General's Office, who has for the last nine months from 1st January last attended to the accounts and worked zealously without any remuneration ; and I take the liberty of recommending that he may be granted a bonus for his labors of Rs. 200 from the balance in the hands of the General Secretary.

No. 7787—Finl. 10, dated Bangalore, 29th January 1880.

Order.—The accounts submitted with the above letter have been printed and are attached as an appendix to these Proceedings. Mr. Gordon has again to thank Mr. Lacey for the great trouble he has taken with the Fund accounts, and recognizing the claim which Mr. Eagles can lay to reward for his zealous services Mr. Gordon has sanctioned a donation of Rs. 200 as recommended.

2. The actual amount remitted to the Chief Commissioner's credit when the above letter was written was slightly in excess of what is there stated owing to refunds received independently. The sum was Rs. 18,258—13—10. To this must be added Rs. 185—13—7 just received from the Deputy Commissioner of Hassan. There is therefore a total of Rs. 18,444—11—5.

3. It remains now to distribute the balance. Some charges have been met and they are detailed in the 2nd statement appended. For sometime past the sick paupers who were left when the Pettah Hospital was done away with, have been provided for from these funds and they will remain the heaviest, though perhaps the most legitimate, charge ; for it is probable that the famine will through them cause a permanent increase to the poor under the care of the Friend-in-need Society. At present Dr. Henderson takes care of them at the Pettah Civil Hospital, but that is an arrangement which should not be continued.

4. One noteworthy effect of the famine was to send crowds of helpless paupers into Coorg where they sickened and died in numbers. A great strain was thus placed on the resources of the Mercara Dispensary, greater than they could bear, and the effect is still felt ; the Chief Commissioner considered therefore that a donation from the balance of Mansion House Funds could very properly be made to the Mercara Dispensary Fund and he granted Rs. 2,000 accordingly.

Proceedings of the Chief Commissioner of Mysore in the General Department, (Financial),—dated 29th January 1880.

5. There remain then Rs. 11,393—4—1 to be distributed among those charitable institutions whose wants are greatest and who have suffered most by reason of the famine. To them the Chief Commissioner allots the balances as follows :—

			Rs.
The Roman Catholic Mission for Orphanages	...	...	3,000
The Wesleyan Mission for do	...	...	1,500
The London Mission	...	...	250
Miss Anstey, Kolar	...	...	1,000
The Cantonment Orphanage	...	...	500

and the remainder, as well as any other sums which may come in, to the Friend-in-need Society for the support of the sick paupers now at the Pettah Dispensary.

Proceedings of the Chief Commissioner of Mysore in the Revenue Department, (Revenue),—dated 7th January 1880.

READ—

Letter No. 544—220 of the 25th November 1879 from the Commissioner, Nagar Division.

No. 5105-13—REV. 871, DATED BANGALORE, 6TH JANUARY 1880.

ORDER THEREON.—The provisions of Section 19 of the Excise Act X of 1871 appear to have been copied from Section XXXV of Act XXI of 1856, and both the Acts being of a prior date to Act XXXI of 1871 are not governed by the definition of a sér in the last mentioned Act. The sér referred to in the Excise Acts, whether of capacity or weight, is the Bengal sér of 80 tolas, and it cannot be altered as proposed in para 5 of the Commissioner's letter into any other sér except by legislative authority. Practically, however, the quantities to be sold will be regulated by the terms of the licenses issued under the orders of the Local Government as provided in Section 33, which terms will be valid so long as they do not exceed the limits laid down in Section 19, and any breach of the conditions of the licenses is punishable under Section 57.

2. With reference to Sections 6, 8, 9, 33 and 40 of Act X of 1871, a notification will be issued declaring the existing rules on the several matters therein referred to, to be in force until further orders.

C. RANGACHARLU,
Revenue Secretary.

To—The Commissioner, Nagar Division
„ Deputy Commissioners of Districts for information and guidance.

READ—

Docket No. 541—258 of the 18th November 1879 from the Commissioner of the Nagar Division, forwarding copy of correspondence with the Deputy Commissioner of Shimoga regarding the liability of occupants of lands for the due preservation of sandal trees standing thereon.

No. 5177-88—F. 647, DATED BANGALORE, 7TH JANUARY 1880.

ORDER THEREON.—The Chief Commissioner approves of the instructions issued by the Commissioner. Neither the old Forest Rules, nor the revised, apply to the case. The Notification No. 186 of the 16th August 1870, which holds occupants of lands answerable for the preservation of sandal trees growing on them, should regulate its disposal. Where the injury to the trees can be clearly proved against the occupants of the land, they can be criminally prosecuted under the Indian Penal Code. Where such proof is wanting, the case may be disposed of under the Notification of 1870, under which the money value of the injury occasioned could be recovered from the land-holders as a revenue demand.

Proceedings of the Chief Commissioner of Mysore in the Revenue Department, (Revenue),—dated the 7th January 1880.

READ—

Inam Commissioner's Memorandum, No. 1076 of the 13th December 1879.

No. 5189—90—REV. 885, DATED BANGALORE, 7TH JANUARY 1880.

ORDER THEREON.—An Agrahar is ordinarily a grant of houses for the residence of Brahmans, with an endowment of lands or other income for their maintenance. The grant is for the benefit of the grantees, though, in return, they are expected to pray for the prosperity of the grantor and his family. This duty, by implication, entails certain conditions. The grantees should keep up the Agrahar and arrange for the houses being tenanted by themselves or other Brahmans; and though they are allowed to alienate the endowments, *i. e.*, the houses as well as the lands, they can so alienate them only to Brahmans, who alone are supposed to be competent to offer such prayers. In British Territories, where the dynasties of the grantors have become extinct, the necessity of maintaining such conditions ceases to exist, and the inams are often treated as entirely personal grants. In this Province, however, and especially in the case of the Agrahar grants made by the late Maha Raja, it is desirable that the tenure of service, though merely nominal, should not be relaxed, and that the Agrahars, *i. e.*, the Brahman residences with the endowments attached, should be maintained in efficiency in commemoration of the grantor.

2. The several Agrahar grants made by the late Maha Raja should be settled on the principles above laid down. These grants would be more properly construed with reference to their general character, than with reference to the wording of the sannads in each case, which, from accidents or carelessness of the writers, may vary. Powers of alienation within the limits above laid down are inherent in these grants and may be recognized in regard to all of them irrespective of the fact of their being expressly provided for or not in the sannads.

3. In the case under notice, it is not unlikely that the houses which were intended to be built and which are stated in the sannads to have been given in gift, were omitted to be built at the place mentioned. They may have been afterwards constructed elsewhere, or may not have been built at all owing to the chicanery of the agents entrusted with the work—a fact which can be easily ascertained by the Inam Superintendent through the Palace authorities. If the houses were not built, it is not the fault of the grantees, and neither they nor the present holders of the vrittis or inams can be held answerable for not keeping an Agrahar which was never built; but they would be bound to maintain such an Agrahar, or Brahman residences in the event of the present Maha Raja establishing one in fulfilment of the original grant, and in commemoration of the person at whose instance the grant was made.

4. The Chief Commissioner does not mean that houses are essential to these Agraharam grants. Grants of houses may sometimes be made under the name of Agraharams without lands attached to them, or lands may be given without houses being built. What is above laid down is the ordinary nature of these grants, and the wording of the sannad in the case under notice as well as the circumstances of other similar grants made by the late Maha Raja support the above view.

5. It is only necessary to add, with reference to para 7 of the Inam Commissioner's memorandum, that the word "occupied" in Wilson's Glossary therein referred to would seem to have been used in the sense of dwelling, and not in that of holding of lands, and in this view would not be inconsistent with the above description of the Agraharam tenure.

Revenue Secretary.

Letter from the Survey and Settlement Commissioner, No. 798 of the 9th September 1879.

No. 5605-18—F. 691, DATED BANGALORE, 22ND JANUARY 1880.

ORDER THEREON.—With reference to the orders conveyed in Proceedings Nos. 1438-50—305 and 1796-1810—345 of the 16th July and 6th August last, the Deputy Commissioners of the Districts concerned are requested to adopt forthwith the necessary measures for the sale of the reserved trees, excepting sandal, situated on occupied lands in the settled taluks noted in the margin, and also for the sale of the unreserved trees on the same should they not have been already disposed of by the settling officers. The sale should be completed within the current official year except in the Koppa Taluk for which an additional year's time will be allowed. Under proper supervision and arrangements, there will be no objection to the Shekdars conducting the sales, except in cases in which the trees are numerous and valuable, when the sale may be held by the Amildar or the Sheristadar, tabular statements of the results of the sales giving the necessary particulars being in both cases submitted to the Deputy Commissioner. The arrangements suggested in para 1 of the Survey Commissioner's letter No. 670 of the 23rd July 1879, may be adopted wherever they are found feasible.

2. The work will be particularly heavy in the Kavaledurga Taluk. The Peshkar in this taluk may be retained till the sales are completed, and if considered necessary, an Assistant Commissioner may be deputed to supervise the sales on the spot and to push on the sales to completion in the manner considered most practicable. Additional Shekdars or Gumastas may be also given in aid for the purpose from the District Office or other taluks, and the services of the more intelligent Shanbhogs may also be utilized.

3. The final results of the sales in each taluk should be reported to this Office. The proceeds of these sales should be credited to "Land Revenue, Miscellaneous," under a separate head. The Deputy Commissioners are further requested to report at once the arrangements made by them on the subject.

4. The Survey Commissioner is requested to issue instructions to arrange in future for the disposal of the Government rights to reserved as well as unreserved trees, excepting sandal, on occupied lands at the time of the settlement, the proceeds being credited to Land Revenue, Miscellaneous, as above laid down.

5. Separate instructions will issue in regard to the point noticed in the concluding part of para 4 of the Shimoga Deputy Commissioner's letter No. 90 of the 25th August 1879.

No. 1070—GEN. 163, DATED BANGALORE, 27TH JANUARY 1880.

2. RECEIPTS.—*Octroi.*—Under this head there is a decrease of Rs. 1,334 when compared with the estimates of 1879—80. This is due to the abolition of the tax in Mercara from April 1879 and to the estimates for Virarajendrapet being framed on the actual demand for 1879—80 the first year of departmental collections.

3. *Tax on Professions.*—The amount estimated under this head is Rs. 5,650, which shews an increase of Rs. 1,200 over that of last year and is due to the revision of taxation sanctioned in Chief Commissioner's Proceedings No. 4—1, dated 5th April 1879. The demand for 1879—80 in Virarajendrapet being Rs. 3,281—8—0, the estimate is raised from Rs. 5,650 to Rs. 5,750.

4. *Interest on Securities.*—As compared with the estimate of last year the sum entered under this head shews an increase of Rs. 50. This is due to the investment of Rs. 1,144 realized from sale of building sites in Virarajendrapet.

5. The small increases of Rs. 70 and 60 under "Pounds" and "Miscellaneous" respectively, are warranted by the actuals of the previous year.

8. Of the sum of Rs. 504 entered as "Head Office Charges," Rs. 240 provides for the pay of the Mercara and Virarajendrapet Municipal Clerks at Rs. 20 each per mensem and Rs. 24 is shewn as contribution to the "Municipal Establishment of the Chief Commissioner's Office." This is accepted and the amount will be remitted to the General Secretary.

9. *Original Works.*—Under this head as compared with the estimates of 1879—80, there is a decrease of Rs. 6,686. This is chiefly due to the inclusion of Rs. 5,457 in last year's budget for the construction of the Virarajendrapet market.
